

Reserva Room Summary

Reserva Room Summary displays a list of meetings occurring in a range of meeting rooms on your digital signage displays. This content is ideal for reception areas or outside lifts in larger buildings. This content may be displayed in either a multizone layout or full screen, and in portrait or landscape orientation.

For calendar/timetable compatibility and information about Reserva Connection Manager please visit www.reserva.co.uk/support/

Requirements:

- ◆ Reserva-Summary licence applied to the player
- ◆ NTB running software version 10.1.3 or later
- ◆ Reserva Connection Manager with connection containing the desired rooms

Content Displays:

- ◆ Current date and time
- ◆ Meeting start time
- ◆ Meeting title
- ◆ Meeting organiser
- ◆ Meeting room name
